Subject: Rubicon Trail

I would like to write to you and tell you about the times my family and I spend on the Beautiful Rubicon Trail. My husband and I for giggles wanted to figure out how much we have spent going to the Rubicon every year. It was thousands and thousands of dollars. Thousands of dollars spent at our local stores and fueling stations. We are local, and live less than an hour from the trail. On the average we spend about 2 weekends a month there. This is where we choose to spend our Anniversary every year. This is where we choose to donate our work hours. My family has volunteered at several different organizations clean ups. My family and I are members of Friends of the Rubicon, and Friends of El Dorado National Forest.

We are strongly opposed to any closure. We are strongly opposed to any access limiting restrictions being placed on the Rubicon Trail.

Sincerely,
Lisa Heck
